Diane C. Crawford, President/CEO
National Phlebotomy Association
1901 Brightseat Road
Landover, MD 20785
(301) 386-4200

Criteria for Program Approval of a Phlebotomy Training Program

The agency may use current material in each category. This self-study is to be prepared in two (2) copies.

A site visit will be made to the school for verification of the self-study report at the time of the first testing sitting.

The Site Visitor Team will consist of an educator, and/or a Certified Phlebotomist Technologist, and a lay person. Members of the NPA Commission on Program Approval will evaluate the visit, protect the documents of the agency, but will not take an active role in the team's evaluation.

All recommendations are presented to the Board of Directors for Program Approval.

1. Statement of philosophy, goals and purposes
2. Capability statement
3. Budget or audit system
4. Objective of the program
5. Content of the program (listing all classes) projected calendar
6. Description of location of school
7. Curriculum vitae of faculty
8. Teaching, methodologies (lecture, seminar, audio, visual, self study, etc.)
9. Recruitment methods utilized
10. Method of assessing learner needs
11. Record keeping system
12. Contracts with cooperating agencies
13. Malpractice insurance
14. Student handbook
15. Drug testing, HIV (Aids) and HBSAG (Hepatitis, Syphilis and Gonorrhea)
