Instructions for Member to Provide Credential Information to Employer/Screening Agent for Credential Verification.

Navigate to <https://members.nationalphlebotomy.org/>. Click on Login if you forgot your password click the Forgot Password link.

Once logged in, you will see your member profile, note your Contact ID. If you have not already, please enter a 6 digit Member Verification Pin. Providing your pin is in lieu of getting a signed request to validate your credential from your employer or screening agent. Please note, your pin can be changed at any time. You have the ability to change your pin to prevent verification requests without your knowledge.
